

iff

AN ULTRA-HIGH IMPACT TROPICAL FRUITY FLORAL

TROPICALIA™

IPC: 050206

FEATURES

- Very powerful tropical, fruity and white flower molecule.
- Gives greater performance to fruity tropical nuances.
- Ultra high impact ingredient highly efficient at a very low level, making it cost-effective.

TROPICALIA

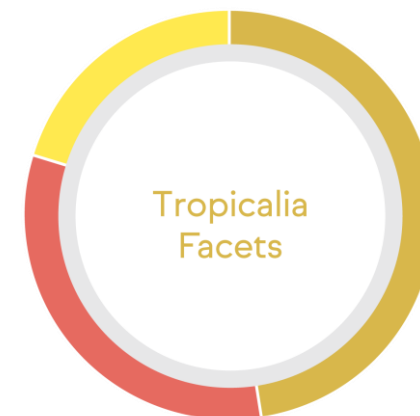

REGULATORY STATUS

US EPA – cleared

EU REACH - up to 10 ton/year

Japan – up to 1 ton/year

China – up to 1 ton/year

Butyric

Melon

Banana

OLFACTORY DESCRIPTION

A very impactful fruity/ tropical/ exotic note giving richness/ opulence to any white flower accord with a touch of green minty leaves.

BENEFITS

Very good performance and good stability in Fabric Conditioner in POP, Bloom and Damp stages.

Booster of exotic fruits, gives naturality, strength and diffusive top note in fruity and white flower creations.

Unique powerful ingredient with great fruity/exotic hook in top note.

Increases the depth and opulence of white floral notes in fine fragrance and boosts exotic notes.

Consumers associate Tropicalia with feelings of happiness, excitement, carefreeness, playfulness and youthfulness.

IFF BrandEmotions™

“WOW! Very strong, green, and sweet fruity explosion. **Radiant** fresh green elements to push top notes. Sweet, ripe, fruity berry creamy edge which give **broadness and performance**. Great impact!”

Petra de Jong, Perfumer

PERFUMERS' QUOTES

"Tropicalia is an ultra-high impact ingredient with great diffusion. It evokes a memory of tropical environment, particularly the juicy tropical fruits. It has facets of a hint of a mint & white flower, quite unique in olfaction."

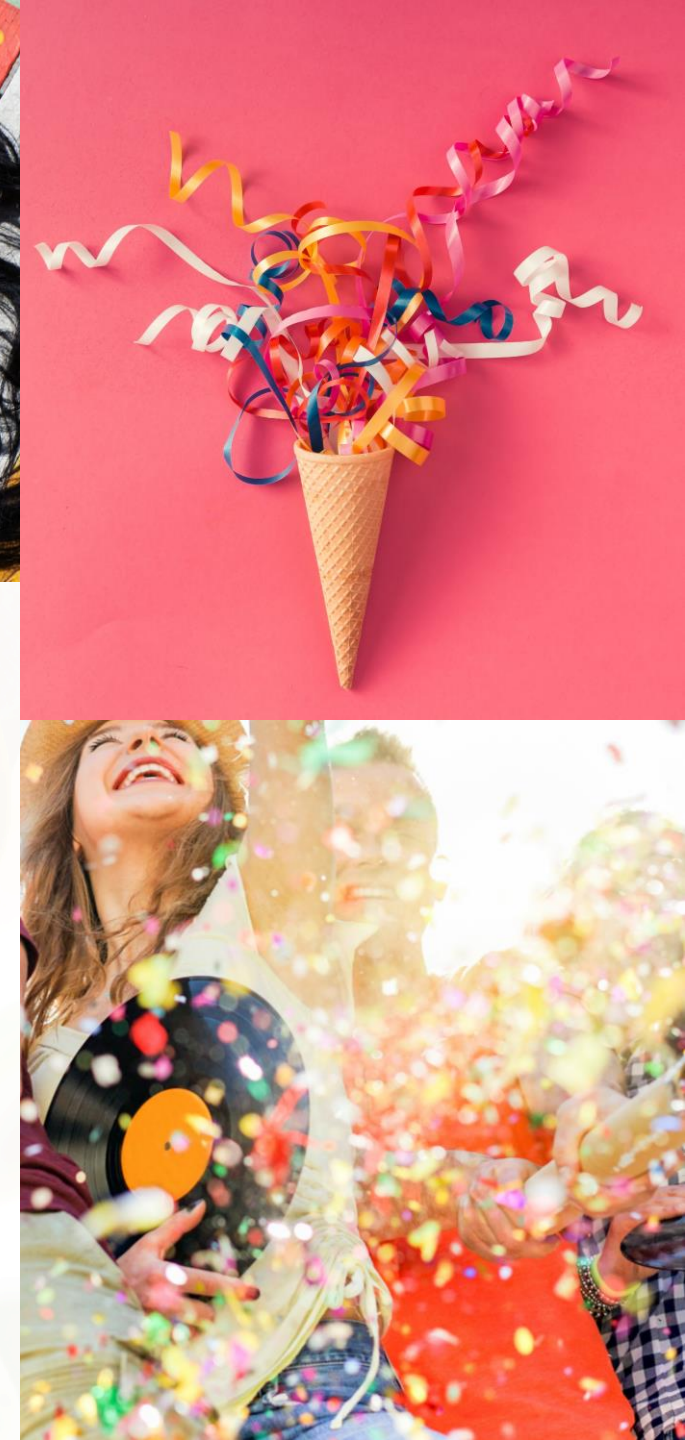

Milind Davare, Vice President Perfumer

"Tropicalia is a unique, outspoken ingredient that will push the performance and bring a new dimension to your creations."

Elise Pajot, Perfumer

"Tropicalia is a fruity cocktail that can be used in floral-fruity compositions. It has a well-balanced blend of tropical mango, peach, and guava notes with a touch of apple sweetness. It has the power to enhance fruity and citrus notes."

Jui B Kokate, Junior Technical Perfumer
