

iff

A FRESH AND MODERN MUGUET

LILAIRE™

IPC: 16405

FEATURES

- Soft, creamy muguet-like floral character with a bright profile.
- Smooths out harsh notes and brings harmony, adding volume and roundness.
- Good performance, substantivity and long-lasting effect.
- Easy to use and versatile, supporting creative freedom in fine fragrance design.

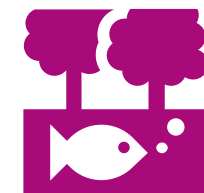

LILAIRE™ CONSCIOUS INGREDIENT

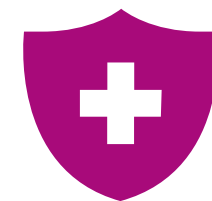

VEGAN SUITABLE

Perfect for brands committed to cruelty-free and ethical beauty.

MINIMAL ECOTOX PROFILE

Only classified as H412, suited for brands prioritizing environmental safety and clean formulations.

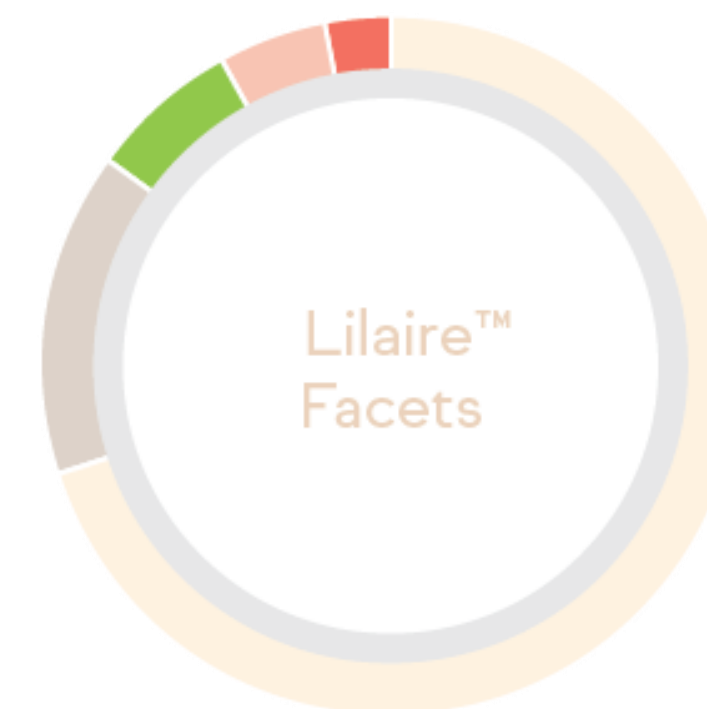

NON-ALLERGEN

Suitable for sensitive skin and clean-label product lines.

LILAIRE™

REGULATORY STATUS:

Muguet

Creamy

Green

Powdery

Grapefruit

OLFACTORY DESCRIPTION

A full body, creamy, natural and soft muguet.

BENEFITS

Enhances floral compositions with a delicate, modern signature.

Adds smoothness and balance, rounding off sharp edges in the formula.

Offers strong performance and lasting impact across fragrance stages.

In fine fragrance, it can be used at high levels without overwhelming the formula.

“Lilaire delivers a creamy, petal-like texture, enhancing the heart of the fragrance with a soft yet substantive floral lift.”

Laura Gibbs, Senior Perfumer
